PRODUCER

NOS VINS DU SUD's DNA is made of top Selection and Service: - Our portfolio is solely composed of terroir wines vinted by passionate winemakers who are proud of their wines; - Our team of 11 experts is entirely dedicated to the promotion, distribution and sales of these amazing wines to our distributors and importers all over the world. As the saying goes: a good wine is an empty bottle! This is our moto and our daily responsibility.

VITICULTURE + VINIFICATION

TASTING NOTE

My favourite Pinots are the ones grown in cool terroirs favouring late ripening, ideal conditions for this noble variety to produce elegant and lively wines. I crafted this wine in a simple fashion with red cherry scents wafting from the glass, the hallmark of a savoury Pinot Noir with appealing length.
